

## Announcement

**Call for relaunching the selection process of one NGO / association / foundation active in the field of business environment and interested to be part of the future Monitoring Committee for the Interreg V-A Romania-Hungary Programme, as observer**

In the programming period 2014-2020, Romania and Hungary will receive non-reimbursable Community financial assistance for development of cross-border cooperation programmes and projects, by encouraging cooperation and exchange of best practice between EU regions.

In this view, Romania and Hungary are jointly participating in a cross-border cooperation programme, the Interreg V-A Romania-Hungary Programme.

Considering the requirements of the regulations in force, the Monitoring Committee of the INTERREG V-A Romania-Hungary Programme shall be composed of relevant and representative local, county and national bodies/structures in areas expected to receive funding through future programme, as well as of representatives of NGOs/associations/foundations.

The Monitoring Committee has the role to monitor the Programme by assessing its implementation and progress towards the achievement of its objectives.

To ensure a transparent framework for institutional collaboration, Ministry of Regional Development and Public Administration is relaunching the selection process of one NGO/association/foundation, that will be part, in an observer capacity, of the future Monitoring Committee of the Interreg V-A Romania-Hungary Programme.

Interested organizations are invited to submit letters of intent on participating as an observer of the Monitoring Committee, accompanied by the documents referred to in the **”Main procedural elements for relaunching the selection of the NGO/association/foundation active in the field of business environment and interested to participate in the Monitoring Committee of the Interreg V-A Romania-Hungary Programme, as observers”**, until 20.11.2015, local time 16.00.
